

Innovative Hygiene.

### LUNA abrasiveCOLOUR

**Product Description**  
Viscous hand cleaner. Contains tiny abrasive particles and hand caring dissolvents to remove soilings caused by colours, varnishes, glues and printing ink. Has a pleasant, nurturing effect on the skin of the hands.

**Field of application/use**  
Very suitable for paint shops, body manufacturing and printer units.

**Dosage**  
Dispense a portion of soap with the LUNA abrasivSEIFEN dispenser on the dirty, dry hands and rub until the dirt comes off. Add some water and wash. Afterwards rinse thoroughly.

Wrapping units

### LUNA abrasivCOLOUR

**Opis proizvoda**  
Žitko sredstvo za čišćenje ruka. Sadrži čestice i specijalni rastvor ugodan za kožu, za otklanjanje prljavštine od boja, raspršivača, lakova, lepaka i tinte. Deluje ugodno i vraća masnoću rukama.

**upotreba/područje upotrebe**  
Posebno namenjeno za upotrebu u molerskim radnjama, zatim za lakirnice kao i za štamparije.

**Doziranje**  
Porciju sapuna uz pomoć LUNA abrasivSEIFEN Spendera (posude) naneti na prjave i suve ruke, dobro utrljati dok se prljavština ne rastvori. Zatim prati s malo vode. Na kraju temeljito isprati.
